Take you heed of  
this: As sure as you  
live, the producers are  
the feeders and cloth-  
ers of the world.

Among freemen  
there should be no  
masters but justice  
and duty and love of  
right and fellowman.

PALESTINE, TEXAS, NOVEMBER 6, 1903.

YOUNG man, remember that the  
key to success is not a night key.

THINGS are looking livelier in  
this old town the past few days.

THESE are glorious days in dear  
old Texas now. No country on  
earth could do better.

ALL bird hunters should bear  
in mind that the law allows them  
only twenty-five birds in one day.

RECENTLY 652 negroes left  
Washington county, most of  
them going to points in Louis-  
iana to pick cotton.

A REVOLUTION has again broken  
out in Panama, and Uncle  
Sam is dispatching vessels to save  
the canal sight. If the revolu-  
tionists win, the canal treaty will  
likely be opened up again.

DECIDED earthquake shocks  
were felt over a large portion of  
the United States two days ago.  
This following the late elections  
is nothing compared to the up-  
heaval that will be experienced  
from the national election two  
years hence.

If Roosevelt does not wish to  
lose the nomination for president  
he had better go after those  
grafters, and if he wishes to lose  
the nomination he had better go  
after them. He seems to be be-  
tween a very bad fix, with the  
nomination just out of reach.

THE following are said to be the  
names of the Sultan of Jolo's  
wives: Scent of Lillies, Heart's  
Desire, Honey of Life, Dancing  
Sunbeam, Moon Upon the Waters,  
Song of the Nightingales, Honey  
Dew, Whisper of the West Wind  
and Rose in Bloom. What a de-  
lightful bouquet they must be.

At a meeting of the prominent  
prohibitionists in Dallas recently  
an organization was perfected and  
a meeting of prohibition repre-  
sentatives from each county in the  
state was called to convene in  
Dallas on Nov. 25, for the pur-  
pose of organizing the Texas  
Local Option association, to be  
non-partisan in politics and to  
promote the cause of local option  
in Texas. The local prohibition-  
ists will likely send delegates to  
the convention.

THAT day would be a black one  
for Mexico when President Diaz  
were assassinated. He rules that  
country pretty much as the czar  
rules Russia, but he has made it a  
land of order and progress, in  
striking contrast to some of the  
tumultuous republics farther  
south.—Brenham Banner.

And when Diaz does lay down  
the scepter there will be nothing  
left for Uncle Sam to do but go  
down and take charge. Revolu-  
tion will follow revolution until  
American interests down there  
will make such a course necessary.

Editor Robinson of the Grapeland  
Messenger, defending him-  
self against criticism from cer-  
tain sources, says:

"It's pretty well understood in  
these parts that the editor of the  
Messenger loses very little time  
sugar-coating things. Flowers are  
all right enough in their place, but  
desperate diseases demand heroic  
remedies, and that's the condition  
of affairs over here now."

Robertson is all right, and has  
done more for Grapeland and

Houston county than any living  
man, and none but a puddin' head  
would find fault with him. Go  
after them, Robinson.

## Good Work.

What my girls did for Buckner Or-  
phan's home near Dallas:  
Group No. 1—Misses Mittie Cham-  
blee, Bessie Johnson, Ruby Stephens  
and Ida Bell collected \$3.70.  
Group No. 2—Misses May and Myr-  
tie Chook, \$4.60.  
Group No. 3—Misses Lizzie and An-  
nie Potter, \$7.25.  
Group No. 4—Misses Dora McLeod,  
Mason Haynes and Ethel Reitch,  
\$20.80.  
Group No. 5—Misses Lillie and Jes-  
sie Simmons, Annie Hardeman, Nance  
\$33.15.

Total amount collected, \$69.50.  
This sum will go to relieving the  
wants of the 400 children who are in  
the great family of that noble Chris-  
tian man, Dr. R. C. Buckner, who is  
giving all his time and life to the care  
of those needy and once homeless  
children. Dr. Buckner has enlarged  
this family of orphans from three  
hundred to four hundred, besides hun-  
dreds who have gone from this home  
to gladden all Texas.

With good brick homes and a fine  
school, farm and orchard, with good  
Jersey cows to supply milk and but-  
ter for home use, and sufficient work  
stock and farming implements to  
work the farm. The boys are learned  
farm and other work. The girls are  
learned housekeeping, typewriting,  
telegraphy and bookkeeping, so as to  
be able to take care of themselves.

This is the work of twenty years. It  
is surely a happy as well as a large  
family. Dr. Buckner gets no pay or  
salary for his great work. Truly he  
is a good and great man in Israel.  
Many thanks to the dear girls for  
their earnest and faithful work in  
making this collection, and all who  
aid them. ISAAC SELLERS,  
Pastor Avenue Baptist Church.

## Osteopathy Recognized.

He who is so biased as not to in-  
vestigate Osteopathy, should carefully  
read the following:

### Osteopaths Get World's Fair Day.

"The science of Osteopathy is to be  
duly honored by the managers of the  
great St. Louis World's Fair. The  
management has already announced  
that July 7th, next year, is to be "Osteo-  
pathy Day," and it will be so printed  
on the official program."

The St. Louis Post-Dispatch in com-  
menting on this matter stated "that  
no manipulation was required in get-  
ting the Osteopaths a World's Fair day."

Give Osteopathy a chance at your  
ailments and eight chances to ten you  
will get benefits when all other treat-  
ments have failed.

You need not have faith in the  
treatment to be benefited, for results  
come by the treatment, and not  
through your faith.

So let us lay aside our prejudices  
and investigate, and to that is good  
hold fast, and that is of no benefit lay  
aside.

Remember only those who are af-  
flicted suffer by non-investigation and  
not Osteopathy. Respectfully,  
A. A. SPEEGLE, D. O.

### Ladies and Children Invited.

All ladies and children who cannot  
stand the shocking strain of laxative  
syrups, cathartics, etc., are invited to  
try the famous Little Early Risers.  
They are different from all other pills.  
They do not purge the system. Even  
a double dose will not gripe, weaken  
or sicken; many people call them the  
Easy Pill. W. H. Howell, Houston,  
Tex., says nothing better can be used  
for constipation, sick headache, etc.  
Bob Moore, Lafayette, Ind., says all  
others gripe and sicken, while De-  
Witt's Little Early Risers do their  
work well and easy. Sold by Avenue  
Drug Store.

### A Costly Mistake.

Blunders are sometimes very ex-  
pensive. Occasionally life itself is the  
price of a mistake, but you'll never  
be wrong if you take Dr. King's New  
Life Pills for Dyspepsia, Dizziness,  
Headache, Liver or Bowel troubles.  
They are gentle yet thorough. 25c,  
at Moore & Ballew's Drug Store.

## A SOFT BOILED ROMANCE

When Miss Emma Snyder of Hope,  
Ark., wrote her name and address on  
an egg which her father was shipping  
to market she confidently hoped that  
a romance would hatch out in due sea-  
son, and her hope was not in vain.

A friendship directly resulting from  
this ripened into love. The egg also  
ripened in due season, after which it  
was brought forth in overdue season  
and served up at a Palestine restau-  
rant table, soft boiled.

When a certain trainman discovered  
the egg alongside his plate he was  
only amused. "If, he declared, "the  
egg itself was as fresh as the young  
woman who wrote that, I'd eat it, but  
I guess not. Take it back. But stay,  
let me get that address and I will see  
what I can do."

He then wrote to Miss Snyder and  
asked her how she could do such a  
thing, and at this time of the year, too.

Miss Snyder wrote back and tried to  
lay it on the hen, and thus the shell of  
an acquaintance was broken, and the  
fortunate trainman crossed the State  
line to shake hands with his unknown  
correspondent.

He found her goodlooking, and  
also that her father was well-to-do.  
This he didn't wonder at. Any man  
ought to be who converts bad eggs  
into good money.

He returned home. They continued  
to correspond, and now they are to be  
married.

This trainman was supposed to be a  
confirmed bachelor; but what is a  
poor man to do, when even the hens  
of Arkansas are laying for him?

### Revolution Imminent.

and serious trouble in your system is  
nervousness, sleeplessness, or stom-  
ach upsets. Electric Bitters will

causes. It never fails to tone the  
Stomach, regulate the Kidneys and  
Bowels, stimulate the Liver, and

attending aches vanish under its  
searching and thorough effectiveness.  
Electric Bitters is only 50c, and that  
is returned if it don't give perfect  
satisfaction. Guaranteed by Moore  
& Ballew, Druggist.

## CURED WHEN OTHERS FAILED

1056 Winnemac Avenue,  
CHICAGO, ILL., Oct. 25, 1902.

Wine of Cardui can always be relied  
upon to cure when everything else fails.  
It is a certain cure for female diseases in their  
worst forms. I suffered for years with ulcer-  
ation. Intense pains in the womb and ovaries  
and dreadful headaches unfitted me for my  
work. Finally I grew so ill that I had to keep  
to my bed. The pains were so intense at times  
as to cause spasms and a disagreeable discharge  
drained my life forces. In my extremity after all else  
had failed, I tried Wine of Cardui. After using it for  
two weeks I began to improve so rapidly that I felt en-  
couraged to keep up the treatment, which I did for eight-  
teen weeks, but at the end of that time I was entirely cured. What a  
relief was mine and how new and beautiful life looked to me when my  
health was restored. Only those who have passed through such a siege  
of sickness as I have will understand how much I value Wine of Cardui.  
It is indeed  
a boon to  
sick women.

Frances Mitchell

Secretary, North Chicago Fratern Verein.

Every weak woman needs Wine of Cardui. Wine of Cardui cures dis-  
ordered and painful menstruation, periodical headaches, falling of the  
womb and leucorrhoea. It cures extreme cases of these troubles. It  
strengthens girls approaching womanhood, helps bring children to barren  
homes, makes pregnancy and childbirth easier, prevents miscarriages and is  
the best medicine ever made for use during the change of life. Why permit  
the good women in your home to suffer another day? Every druggist  
has \$1.00 bottles of Wine of Cardui.
